

Horsham Lawn Tennis Club Easter Camp 2018

The HLTC Easter camp is for juniors of all ages and abilities and are run by LTA Licensed Coach Glyn Jukes and assistants.

Each camp runs for 3 hours daily, 9am - 12pm (morning session) then from 1pm to 4pm (afternoon session). Places are available for all day camps (morning and afternoon sessions).

The camps will be split into ability levels from mini tennis to advanced juniors. The main focus will be on developing tennis skills and will cover everything from basic strokes for beginners to match based tactics and techniques for the more advanced.

Other fun activities and sports will be integrated to help build footwork and hand-eye coordination around the tennis court. The last day will be 'tournament day' where various prizes can and WILL be won!

If you have your own racket please bring it along although we have enough rackets, balls and FUN for everyone.
