

Ever dreamt of playing on the famous grass courts of Wimbledon? Who hasn't!

The Play Your Way to Wimbledon, powered by Vodafone, tournament now gives most players an opportunity to follow in their heroes footsteps and compete for the title at Wimbledon.

We're proud to be working with Vodafone and the AELTC to further expand the largest individual mass participation tennis competition in the UK, Play Your Way to Wimbledon, powered by Vodafone. This year, the LTA and the AELTC are expanding the competition with the exciting introduction of an adult doubles pathway and disability categories, which Vodafone is proud to support.

Players start by competing locally at an event taking place at a local club, park or school with the winners progressing through to the County and/or Area Finals, and then onto the National Finals at Wimbledon.

Who can play?

All players must have an LTA [Advantage](#) membership number and an ITF World Tennis Number between 20.0 and 40.9 at the time of the event they're competing in. A players singles and doubles ITF World Tennis Number will be used for the relevant pathway.

Once a player has won a venue stage event, they automatically qualify for the county finals (singles) or area finals (doubles).

Junior players can enter into both the singles and/or doubles pathway for the Play Your Way to Wimbledon tournament, with separate competitions for boys and girls. However players will only be able to compete in one event at the National Finals i.e.

if they make it through to the National Finals in both the singles and doubles, they will need to decide which one they compete in.
