

SLAMDOWN

MONDAY 1ST MAY 2023

OFFICIAL DIGITAL PROGRAMME

WELCOME

to today's third instalment of Slamdown, which sees our winners of last season from Hampshire, Surrey & Sussex face-off.

This event marks the start of The Slam season, which will hopefully signal some brighter weather for us all after a woeful few weeks, which I know has disrupted everyone's preparations, not least our hosts today. Today should have seen T20 matches on both pitches, but the weather has got the better of the top pitch and so we have five, tantalising T10 matches back-to-back on the main pitch instead. It's been a fantastic effort from all concerned at Horsham Sports to deliver that and my thanks go to all involved for their support of The Slam, not just today, but over the last 4 years.

Today is the culmination of a record year for The Slam, the support of which I continue to feel humbled by. A record 5,542 players participated in it last year from 284 teams, but it is the 1,024 players that were new to their teams, and the 924 for whom this is the only cricket they play that I am most taken aback by. It is vital that we all play our part to ensure we widen the 'menu' of what we can offer in our game, and thereby ensure as many people as possible have the feasible opportunity to play it. The Slam can provide some of those options, but we must continue to work together to keep adapting.

With regards to today's matches, there are 3 counties represented and 3 trophies to be lifted, I look forward to seeing which area comes out on top come the end of the day. I'll be around all day in my Slam blue top, so please do feel free to stop me and ask any questions you may have.

I hope you all enjoy the day,

THE RULES

On the whole, all the normal laws of cricket apply in The Slam, but there are a few tweaks Specific to today to ensure that all 5 games tick along at the pace needed, most notably:

- All matches today will be 10 overs per side;
- The first 5 overs are bowled from one end and the second 5 from the other. Only the batters will change ends at the end of each over other than before the 6th over;
- In the Men's games the bowlers are restricted to a maximum 10 yard run-up;
- For the first 3 overs, the fielding team must have 7 fielders, (plus the bowler and the wicketkeeper) in the inner fielding ring at the point of the ball being bowled. After that it must be 4 fielders. A no-ball shall be called if this is not the case;
- All illegal deliveries result in 2 runs and NO extra delivery being bowled, except for the final over of the innings where it is 2 runs AND an extra delivery;
- ANY no-ball results in a free hit on the next delivery;
- Batters retire not out at 50 in the Men's games and 40 in the Women's game, but can return after all other wickets are taken;
- Bowlers cannot bowl more than 2 overs;
- In the event of a tie in any match (regardless of wickets lost) a super over will take place which will be decided by runs, then wickets, then boundaries over all 11 overs, then least extras, then bowl-out if necessary.
